

ANNANDALE HIGH SCHOOL PARKING PERMIT RULES

Annandale High School has 129 student parking spaces available for students. The parking spaces are allocated to students through a fair process that recognizes good attendance, good behavior, good grades, and no outstanding financial obligations. All financial obligations need to be cleared before students will be considered for a parking space. Eligible senior students will have first priority as one of Annandale High School senior privileges; however there is **NO** designated Senior Parking lot. All eligible underclass students may be considered as well. Each student must fill out the attached Parking Permit Application and read and sign the Student Agreement form below and must have a **valid driver's license**. The parking application and this form must be turned into the main office by **3:00 p.m., Thursday, August 29, 2019. (do not turn in money at this time)**. A list of eligible students who received a parking space will be posted by the attendance office and by the Senior Courtyard on Wednesday September 4, 2019. Parking permits will be distributed, and money will be collected during all 4 lunches in the cafeteria on Thursday September 5, 2019. The parking fee of **\$200.00** will be collected when the parking permits are distributed.

Beginning Friday September 6, 2019, only students that have a FCPS issued school parking permit will be able to park in assigned spaces on school grounds and in assigned spaces at Ossian Hall Park. Eligible students that are approved for parking must pay the parking permit fee by Tuesday September 10, 2019 or it will be re-issued to another student on the wait list. If you do not have a parking permit you may not park anywhere on school grounds, assigned AHS spaces at Ossian Hall Park. There is no parking at Ossian in the non-numbered spaces. If you park in these spaces, you risk your vehicle being ticketed or towed by FCPD.

Annandale High School reserves the right to revoke any student's parking privilege due to negative behavior, poor attendance, poor grades, abuse, misuse, or misrepresentation of the student's parking privilege. Students are **NOT** allowed to transfer their parking permit by selling or giving their permit to another student. Transfer or attempting to transfer parking permits is an automatic loss of parking privileges for **ALL** involved. In addition, **NO REFUND** will be granted to students who violate the Student Parking Agreement. Students must park in their assigned space. If another vehicle is parked in your space you **MUST** notify the main office. There will be a designated area for students to park if another vehicle is in your assigned space. If you do not notify the main office that another vehicle is in your parking space and park in another area of Annandale HS you could be ticketed. If you park your vehicle anywhere on school grounds other than your assigned space you may be ticketed or towed. **Annandale HS parking tickets are \$25.00 per ticket. Those individuals that receive three or more tickets may have their vehicle towed from Annandale HS property. The owner of the vehicle assumes all costs for the tow of the vehicle from Annandale HS.**
